The charcoal is ready, the soda is chilling and the menu is ready...all we need is you!

Come join us for a fun afternoon of food, friends, and fishing in beautiful Allen's Harbor in Quonset. Bring the family, some friends or just show up by yourself!

See the flyer in this month's newsletter for more information.

And The Winner Is....

Congratulations to everyone who participated in the Spring Surf Fishing Club Challenge sponsored by RISAA.

The club came in at a respectable 4th place (out of 11 teams) this year.

This was an opportunity to get out there to fish with some friends

and raise money for MS research.

Here is the list of fish that were weighed in for our club.

Big Fish

A very special thanks to club member Marty Wencek who gave a very interesting talk about catching fish (big or small) in our area.

This was a jam packed session that discussed fishing points, droppoffs, reading the wind & tides, when to go and more.

I have 3 pages of notes, but you'll have to come to the meetings to get all of the secrets!

If you are interested in presenting a topic at a future club meeting, contact Buzz Vickers for more information.
